# ANKIT PATHAK

Cyber Security Analyst

+91 6267004473 | ankitpathak.1119@gmail.com | http://www.linkedin.com/in/ankit-pathak1119 | Indore, Madhya Pradesh

## PROFILE SUMMARY

Cyber Security postgraduate student with hands-on internship experience in Web application penetration testing, SOC operations, and threat intelligence, . Skilled in vulnerability assessment, digital forensics, and OSINT investigation using industry-standard tools including Burp Suite, Wireshark, Metasploit, FTK, and Autopsy. Strong foundation in networking, Linux/Windows administration. Fast learner with a problem-solving mindset and proven ability to translate technical findings into clear, actionable reports.

## TECHNICAL SKILLS

- **Cybersecurity & VAPT:** Vulnerability Assessment & Penetration Testing (VAPT), Network Security, Web Application Security, Vulnerability Identification & Reporting, OWASP Top 10, Security Assessment, SOC Operations, Threat Intelligence, IOC Analysis, OSINT
- **Security Tools:** Wireshark, Nmap, Burp Suite, Postman
- **Digital Forensics:** FTK, Autopsy, Belkasoft, Digital Evidence Analysis & Investigation Techniques
- **Platforms:** Linux, Windows, Computer Hardware, Kali Linux

## INTERNSHIP EXPERIENCE

**Redynox — Cyber Security Intern** *Jun–Jul 2026*

*Remote | Jun 21, 2026 – Jul 20, 2026 (1 Month)*

- Deployed OWASP WebGoat in a Dockerized Kali Linux environment and completed a controlled SQL Injection/DML exercise, then traced the corresponding HTTP POST request using OWASP ZAP as a local proxy.
- Captured and analyzed DNS query/response and TLS 1.3 handshake traffic using Wireshark, examining packet-level details including Client Hello, Server Hello, and encrypted Application Data records.
- Configured and verified a Windows Defender Firewall inbound blocking rule (TCP) to demonstrate host-level traffic control, then safely disabled it after validation.

**Codec — Cyber Security Intern** *Sep 2025*

*Mumbai, India (Remote) | Sep 12, 2025 – Sep 30, 2025*

- Built foundational knowledge of networking concepts and ethical hacking methodology.
- Gained hands-on practice identifying web vulnerabilities using Burp Suite and PortSwigger Web Security Academy labs.
- Studied and reproduced script-based attack techniques, including Cross-Site Scripting (XSS) and SQL Injection, in a controlled lab environment.

## PROJECTS

**Penetration Testing & Vulnerability Analysis — Belkasoft Forensic Software**

*Medicaps University, Indore*

- Identified session-management vulnerabilities, including flaws in session handling.
- Analyzed cookie-based vulnerabilities and traced unauthorized access via session IDs and tokens.
- Conducted a full vulnerability assessment and documented findings in a technical report.

**Hybrid Machine Learning-Based Intrusion Detection System (IDS)**

*Amity University Rajasthan*

- Designed and built a real-time IDS combining Random Forest, DBSCAN, and Autoencoder models.
- Implemented live packet analysis and anomaly detection in a SOC-style monitoring setup.
- Trained the model on the CICIDS2017 dataset and validated detection of live port-scan attacks using Kali Linux.

## EDUCATION

| Qualification | Institution | Year | Score |
|---|---|---|---|
| M.Sc. Cyber Security | Amity University Rajasthan | 2027 | 6.96 CGPA |
| B.Sc. (Hons.) Forensic Science | Medicaps University, Indore, MP | 2025 | 7.5 CGPA |
| Senior Secondary (12th) | Pragati Academy, Dhar, MP | 2021 | 67.5% |
| Secondary (10th) | Camellia Kids College, Dhar, MP | 2019 | 69% |

## CERTIFICATIONS & PROFESSIONAL TRAINING

- Ethical Hacking Principles — Coursera (SkillUp), January 2026
- Cybersecurity Certificate Course — Tech Mahindra, August 2024
- Ethical Hacking Essentials (EHE) — EC-Council, March 2024
- Digital Forensic Essentials (DFE) — EC-Council, September 2023

## WORKSHOPS, SEMINARS & CONFERENCES

- One-Day Awareness Program on Inter-Generational Bonding for the Welfare of Senior Citizens — sponsored by NISD, Amity University Rajasthan, January 2026
- AI/ML for Geodata Analysis — Online Course, IIRS (ISRO), Dehradun, August 2024
- AWS Awesome Day — Online Conference, Amazon Web Services, July 2024
- Saarthi Program — Medicaps University, Indore, April 2024

## CO-CURRICULAR ACTIVITIES

- Hack-Proof Digital Nagrik Quiz — organized by ICCC and MHA
- Cyber Security Awareness Quiz — organized by MyGov and DSCI
- Poster Competition on Recent Trends in Forensic Science — Medicaps University, Indore

## ACHIEVEMENTS

- Authored and published "Whispers of Forever: Lessons in True Commitments," a book exploring themes of love, loss, healing, and resilience — January 2025

## ADDITIONAL INFORMATION

- **Soft Skills:** Team Collaboration, Communication, Time Management, Multitasking, Fast Learner
- **Languages:** English (Professional), Hindi (Professional), German (Beginner)
